Re: **NORTH BROADWAY ROADWAY IMPROVEMENT WORK TO CONTINUE NEXT WEEK**

For immediate Release

The Department of Public Works announces that Cardi Corporation will re-commence roadway improvement work on North Broadway, from Roger Williams Avenue to Greenwood Avenue the week of April 20th. This work is a continuation of last year's contract which first included in the installation of a new water main. Other streets included from last year's contract that will be completed this construction season following the completion of all gas main work by National Grid include: Frederick Street, Thatcher Street, Nelson Street, Lyon Avenue (Fort to Orchard), and Freeborn Avenue (N. Carpenter to Potter).
