# THE SEARCH BEGINS

We have begun our search for dedicated Board of Director members. We have recently become a 501C3 Non-Profit organization. This past year was a transition year for us for we went from having a large sum of grant funding to a much smaller amount. This upcoming year is sure to be exciting as we look to expand not only our Board of Directors but also our funding streams and membership.

So if you are someone who would like to support the well being of the East Providence community by offering trainings, education and a youth leadership program, please consider joining us. Board meetings are held the last Monday of the month, and run from September– June. Members who are from or work in East Providence are given preference. Contact 435-7516 or [jwall@cityofeastprov.com](mailto:jwall@cityofeastprov.com) if you or anyone you know that might be interested. An orientation meeting will be held in late August.

### Remembering Those Lost to Addiction

Have you lost someone to drug and/or alcohol? If so, visit [www.drugfree.org/memorials](http://www.drugfree.org/memorials) today!

The Partnership for a Drug-Free America created this memorial to give friends and family members a special place to share their memories. It also gives friends and family a unique way to pay their respects by posting their own thoughts or memories of your loved one.

Creating a memorial is simple and only takes 10-15 minutes. So what are YOU waiting for? Sign-up today!

### 2nd Annual Egg Hunt Successes

With approximately 180 participants, and raising about \$350, our 2nd Annual Egg Hunt was nothing short of a success.

Thank you to everyone who supported the EPPC by attending and through your generous donations. A special thanks goes out to TD Bank, for sponsoring the event and to all the volunteers and people who assisted with activities.

We look forward to seeing everyone again next year!
