- A.    The successful vendor shall measure each member of the department to ascertain the member's appropriate uniform size.
- B.    All shirts and trousers are to be made of a craftsman-like manner and are to be inspected during manufacturing, at final trimming and packing to insure consistent quality and adherence to specifications. Shirts shall not have badge holder.
- C.    The official East Providence Fire Department shoulder patch will be provided by the City; also, a "Union" patch will be provided by the Union, and both patches shall be attached to garments, using Nomex thread, by successful vendor.
- D.    The successful vendor shall sew the official Fire Department patch on the left shoulder, 1" below the shoulder seam and center of the uniform shirt sleeve; and the "Union" patch shall be sewn on the right shoulder, 1" below the shoulder seam and center of the uniform shirt sleeve, so that both patches appear square on the sleeves when the shirt is worn.
- E.    The trousers will be hemmed to a finished length in whole inches. The successful bidder will determine the length at the time each member is measured for his/her appropriate size.
- F.    Written care and washing instructions are to be provided by the vendor to each member of the department.
