

CITY OF EAST PROVIDENCE

REQUEST FOR QUALIFICATIONS

LANDFILL CAP MATERIAL SCREENING FORBES ST.LANDFILL

BID No.EP14/15 - 33

Qualification statements from general contractors are being requested by the City of East Providence from companies with soil screening expertise. This project is to prepare the site for a second phase of solar panel installation. Prior to installing the solar panels, the landfill must be graded and capped. TWO HARD COPIES and ONE ELECTRONIC COPY of qualifications statements must be submitted to the Office of the City Manager, City Hall 145 Taunton Avenue, East Providence, RI 02914 by 2:00PM on Tuesday, August 18, 2015. Proposals received after 2:00PM will not be accepted.

The submitted firms must have capabilities and experience to furnish labor, materials, equipment, tools and all other facilities and equipment that are necessary for the proper and complete construction of the project.

The City's objective is to pre-qualify general contractors to identify the most qualified firms for this project, and subsequently request formal bid proposals from those firms. The award of the final contract will be made on the basis of the lowest evaluated or responsive bid price.

Departments of Public Works and Engineering will review the responses. The minimum requirements include but are not limited to:

- Demonstrated technical expertise in the recent construction of similar scope and size.
- Adequate staffing to fulfill all of the requirements of the construction identified in this RFQ.
- Proven ability to work with municipal governments and complete projects on time and within budget.

All responses must include a company brochure, resumes of key personnel who will be involved in the project, a listing of similar projects and references, a statement of the company's qualifications relevant to this project, and any other pertinent information that will aid the City in reviewing the qualifications. The completion dates and/or project status shall be provided for all projects listed under the experience section of the qualifications statement.

The City reserves the right to reject any or all firms, to waive any informality in the qualifications statements and to pre-qualify any firm based on what the City considers to be in its best interest.

Gerald Leach, Purchasing Agent
