BID FORM

The Bidder has visited the Site and become familiar with and is satisfied as to the general, local, and Site Conditions that may affect cost, progress, and performance of the Work.

The Bidder is familiar with and is satisfied as to all federal, state, and local Laws and Regulations that may affect cost, progress, and performance of the Work.

The Bidder has fully examined the Contract Documents and related specifications, and is familiar with the availability of all materials and labor required to successfully construct the Project in accordance with the Contract Documents.

The Bidder declares that this proposal in all respects is fair and made without collusion with any other person, firm or corporation making a proposal for this work.

The Bidder hereby declares that, in regard to all conditions affecting work to be done and the labor and materials required, this bid (proposal) is based on his/her investigations and findings, and that the Owner and the Owner's Representative and their officers, agents and employees shall not in any manner be held responsible for the accuracy of or be bound by any estimates, borings, indications of borings or spoils or rock, water or underground conditions relative to the proposed work, indicated in this or in the other contract documents; that no warranty or representation has been made by the Owner or the Owner's Representative or their officers, agent and employees as to subsurface soil or rock condition; groundwater; or other underground and similar conditions; nor has any representation or warranty been so made that the estimated quantities to be used for comparison of bid will even approximate the actual quantities of materials and work which the contractor may be required to perform.

Part 1: Base Bid

Pursuant to and in compliance with the City of East Providence Invitation for Bids of the **Onna Moniz-John Park and Central Avenue Playground Surfacing Improvements Project**, and in compliance with the Contract Documents and the Specification relating hereto, the undersigned, unless explicitly noted, hereby offers to furnish the items necessary, proper and incidental to this work, whether incorporated on the bid the undersigned or not, for the **Total Base Bid** as follows:

Amount in Figures

Amount in Words

Unit prices and extended amounts are to be shown in **both words and figures**. In case of discrepancy, the unit price in words will govern. The City has the right to add or subtract quantities throughout the contract and the unit prices above shall be held firm for additional or subtracted work.

Bidder understands that the Owner reserves the right to reject any and all bids and to waive any informalities in the Bidding.

Unit Prices noted above shall include all work necessary to furnish and install the improvements, **complete in place**, including all incidental work necessary for installation in accordance with the contract documents.

Addenda, if any, shall be issued prior to the bid opening date by the owner and emailed to the Bidder. It shall be the responsibility of the Bidder to acquire any and all addenda, as emailed to the bidder and posted on the City's Website (URL), in advance of submission on this bid.

BID FORM

Three (3) copies of this completed submittal shall be delivered to the **Office of the City Manager** by no later than **October 13, 2015 at 2:00pm**:

City of East Providence
Office of the City Manager
East Providence City Hall
145 Taunton Avenue
East Providence, RI 02914

The bid may be withdrawn prior to the scheduled time for opening of bids or any authorized postponement thereof. No bidder may withdraw a bid within ninety (90) days after actual date of opening thereof.

Part 2: Alternates

- A. Alternates as quoted below are proposed to provide for Lump Sum adjustments to the Base Bid prior to Contract Award.
- B. Alternates may be executed at the Owner's Option, and accepted Alternates will be made a part of the Owner / Contractor Agreement.

Alternate No. 1: ADD new Concrete Surfacing for site furnishing installation (by others), as illustrated on the Contract Drawings as 'Add Alternate 1', including Bituminous Concrete Walkway Connection at the northeast corner of the Existing Basketball Court and all necessary and incidental site work for installation.
