Signature of Bidder

BID FORM

The Bidder has visited the Site and become familiar with and is satisfied as to the general, local, and Site Conditions that may affect cost, progress, and performance of the Work.

The Bidder is familiar with and is satisfied as to all federal, state, and local Laws and Regulations that may affect cost, progress, and performance of the Work.

The Bidder has fully examined the Contract Documents and related specifications, and is familiar with the availability of all materials and labor required to successfully construct the Project in accordance with the Contract Documents.

The Bidder declares that this proposal in all respects is fair and made without collusion with any other person, firm or corporation making a proposal for this work.

The Bidder hereby declares that, in regard to all conditions affecting work to be done and the labor and materials required, this bid (proposal) is based on his/her investigations and findings, and that the Owner and the Owner's Representative and their officers, agents and employees shall not in any manner be held responsible for the accuracy of or be bound by any estimates, indicated in this or in the other contract documents; that no warranty or representation has been made by the Owner or the Owner's Representative or their officers, agent and employees that the estimated quantities to be used for comparison of bid will even approximate the actual quantities of materials and work which the contractor may be required to perform.
