Saturday 9:30 - 10:15am \$50 - 5 weeks

February 17—March 17

Class is designed to introduce acrobatic fundamentals, balancing, tumbles, parachute, imagination, exploration, rhythm & movement.

The goal of this class is to get younger students interacting with other children their age, work on listening, taking turns and creating a smooth transition into other class settings

Creative Tumble Ages 3-5

Saturday 10:15 - 11am \$50 - 5 weeks

February 17—March 17

This class is designed for children who are ready to tumble on their own. Here children will learn basic tumbling and gymnastics fundamentals, balancing, imagination, balance beam, floor, rhythm and movement. Children will learn playground and gymnastics safety as well as fine and gross motor skills.

Tumbling Ages 5 -10

Wednesday 6- 6:45pm \$50 - 5 weeks

February 21- March 21

Tumbling teaches basic tumbling, gymnastics and dance skills from rolls to back handsprings to leaps and turns. The class curriculum is designed to teach each student at their own individual pace and skill level. Students are taught gymnastics safety so parents can feel confident when their children are practicing at home or on the playground. At the completion of class the students will have the skills and what they need to move on to the next level with ease.
